v.

Defendant

Case Number: 1:12-cv-04069

Judge: Matthew Kennelly

Magistrate Judge: Keys

Supplemental Objections to Counsel's Motion to withdraw Representation of Claimant Daisy Exum and Motion to have Orders 867, 866, 849, & 846 vacated

The Court set 8/6/2020 as the deadline for Claimant to submit objections to Class Motion (859). However, the Order was handed down prematurely, Order 866. Claimant requests Court to vacate Orders 867, 866, 849 & 846, as it is evident and Claimant has provided substantial evidence that not only proves but well grounds her allegations that Class Counsel did indeed prejudice the Courts ahead of her latest proceedings before Honorable Judge Matthew Kennelly.

The latest evidence coming from an email from Class Counsel to Ms. Exum where Class all but assured her they would secure an Order from the Court removing them from representing her, Order 866.

Mr, Rauscher

For the foregoing reasons and reasonings and evidence submitted in filings 863, 864 and 865, Claimant now petitions the Court to issue a favorable ruling to her Objections of Counsel's Motion to withdraw representation and that Judge Matthew Kennelly recuses himself from the case and all the above cited Orders in Paragraph 1 above be immediately vacated and assigned to a different Judge.
